

SSC Speakerphones

Stainless Steel, Vandal Resistant, Rugged Telephones Built to Last

The CEECO SSC Model Telephones were specifically designed for high vandalism and use areas such as jails, prisons, mental health hospitals, and other locations subject to fraud and abuse. The SSC series handsfree telephone is a rugged, industrial grade speakerphone designed with a vandal resistant stainless steel housing, pushbutton hookswitch, and marine quality chrome plated dial. Call monitor circuits automatically disconnect when called party hands up. Conversations may be timed in increments. All CEECO telephones carry a one year warranty; however, CEECO guarantees service for the life of the product!

SSC-500-F SPEAKERPHONE

SSC-501-F TELEPHONE

WARRANTY POLICY

GENERAL

CEECO guarantees its products to be free from defects in material and workmanship for a period of 365 days from the date of original purchase. CEECO's obligation under this warranty is limited to repair or replacement of any part found to be defective by CEECO.

UNDER NO CIRCUMSTANCES shall CEECO be liable for loss, damage, cost of repair or consequential damages of any kind, which have been caused by neglect, abuse or improper operation of equipment.

CEECO will repair or replace any unit during this period if found to be defective for reasons other than abuse and improper use or improper installation. It is the buyer's responsibility to return the defective unit to the factory. CEECO will then repair or replace any defective parts and return them to the buyer free of charge.

REPAIR POLICY

WARRANTY REPAIR

Any device returned requiring warranty service, repair or credit must be accompanied with a "Return Material Authorization" (RMA) Form. It must include: RMA Number, return shipping instructions, original purchase order number, serial number and special marking instructions. A tag with the trouble observed must be attached to the defective unit. This information must be inside the shipping container.

NON-WARRANTY REPAIR

CEECO will repair equipment out of warranty for a set charge plus parts. The customer must pay the shipping costs both directions.

CEECO has been providing telecom solutions since 1930. Our vandal resistant technology focuses on providing public communication solutions while reducing replacement and repair costs, lowering the customer's total cost of ownership. CEECO also offers custom design and branding to your specifications.

Our commitment to providing expert service and support extends beyond the warranty of our product. We offer service for the life of the product! CEECO is devoted to giving you the quality and service you deserve.
