 Post

High-Impact, Flame
 Retardant Polymer

Quick and Easy
 Screw-Style Installation

SPECIFICATIONS

- ◆ Connector Body: Brass
 Gold Plated: 2 μ "
- ◆ Snap Fit Connector Body Material: Flame Retardant Polymer
 Rated UL 94 V-0
- ◆ Cable Recommendation: 24-14 AWG

Hubbell's gold Snap Fit Speaker Post connectors provide a perfect solution for distributing audio signal throughout the home, office or to a workstation. Requiring no soldering, these gold, speaker post connectors install with a "snap" and provide a quick, easy "screw-on" termination.

HPW's gold speaker posts are available in office white only and flush mount into all Infin-e-Station™ face plates, modules, frames, surface housings, and UDX multimedia jack panels and adapters.

Create a customized multimedia workstation outlet by adding a Gold F-Connector along with HPW's extensive line of Snap Fit connectors, loaded modules and Xcelerator™ jacks.

APPLICATIONS

- Home theater
- Surround sound systems
- Entertainment systems
- Speaker connections
- Recommended cable: 24-14AWG

APPROVALS / INSTALLATION

- Standard HPW Keystone opening
- Female-to-Female connector
- No soldering required
- Industry standard "banana" style connector
- Screw-style installation for quick and easy termination
- RCA connectors snap into all Infin-e-Station™ face plates, modules, housings and UDX multimedia jack panels and adapters
