

SBX-DGV

Surface Mount Box for MK-DGV

DESCRIPTION:

The SBX-DGV is a brushed stainless steel surface mount box for the MK-DGV Vandal Resistant Video Door Station. The unit is constructed of double-layer 16 and 18 gauge cold rolled stainless steel, folded and welded. Openings at the bottom of the unit are to allow drainage of moisture when used in outdoor applications. The MK-DGV and the SBX-DGV can be used in temperatures ranging from 14 ~ 140 degrees F. Openings are provided in the back of the unit for wiring and mounting.

FEATURES:

- Vandal resistant
- Allows MK-DGV to be surface mounted
- 16 gauge outer layer
- 18 gauge inner layer
- Provides hood to protect camera from moisture
- Brushed stainless steel finish
- Tamper resistant mounting hardware
