

Midsize Single-Gang Wallplate

Coax and Coax with F-Connector

APPLICATION

Leviton's Midsize Single-Gang Wallplates are ideal where flush mount video connection plates are needed. Midsize plates are 3/8" higher and wider than standard plates to help disguise irregular or oversize wall openings, resulting in a neat, professional finish. Durable wallplates are available with an F-Connector or unloaded with a hex-shape outlet for later coax cable installation.

STANDARDS COMPLIANCE

Meets all applicable standards: cULus listed and meets FCC part 68.

PHYSICAL SPECIFICATIONS

Dimensions: 4.875"H x 3.125"W x 0.255"D

Color: Ivory, white, almond, brown

Materials: High-impact, fire-retardant nylon: Zytel 101F-UL rated 94V-2.

WARRANTY INFORMATION

- One-year limited product warranty.

DESIGN CONSIDERATIONS

- 3/8" larger than standard size wallplates to conceal irregular wall openings.
- Mounts to single-gang backboxes or four-square boxes with appropriate user-provided reducer.
- Smooth finish matches Leviton's existing Midway ED Wallplates for a consistent look throughout the home or business.
- Includes mounting hardware with color matched wallplate screws.
- Available as single-gang wallplate with coax outlet and an F-Connector and a coax outlet without an F-Connector.
