QuickPort® Female to Female S-Video Adapter

APPLICATION
Video connectivity for workstation cabling with shielded video cable. QuickPort Connectors snap into any housing with the QuickPort name—flush and surface mount outlets, Multimedia Outlet System (with adapter), Decora® Inserts, patch panels, and patch blocks.

FEATURES
- Compatible with all QuickPort wallplates and housings
- Mates with 4-Contact Mini-DIN plugs

PHYSICAL SPECIFICATIONS
Dimensions: .63"H x .83"W x 1.38"D

DESIGN CONSIDERATIONS
- QuickPort Connectors snap into any housing with the QuickPort name: flush and surface mount outlets, Multimedia Outlet System (with adapter), patch panel, and patch blocks
- Check clearance behind proposed location of bulkhead module to ensure space for proper bend-radius of cabling media
- Not for side-by-side use with 49910-xx4 modular face plates (insufficient space between ports)
- Connectors are available in ivory and white to match housings or wallplates
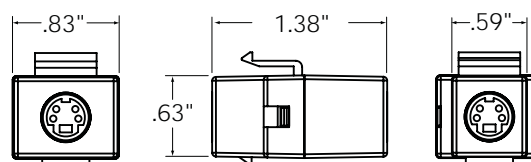

WARRANTY INFORMATION
For a copy of Leviton product warranties, visit www.leviton.com.

TYPICAL SPECIFICATION
The connectors for video connectivity shall be individual snap-in style female-to-female adapters, and shall fit all other QuickPort installed telecommunications wallplates, outlets, and field-configurable patch panels and patch blocks. Connectors shall be available in ivory and white to match the housings or wallplates.
