

Never miss another call— automatically routes call to the next available agent

- ▶ **RNA Enabled.*** Increases call center productivity and cost-effectiveness by eliminating missed calls!
- ▶ **Dual Headset Port.** Provides improved training and supervisory capability by allowing a second headset port to be directly connected to the SQD amplifier.
- ▶ **Optional Kneewell Mount.** Optimizes valuable desktop space, provides improved cable management, and reduces replacement costs by deterring theft.
- ▶ **Call Clarity™ Technology.** Sets a new standard for superior sound quality—so it's easy to hear and be heard.
- ▶ **SoundGuard® Plus™** Delivers automatic sound protection by keeping incoming sound at comfortable hearing levels, shielding users from harmful sound and data bursts.
- ▶ **Headset Compatible.** Connects to all Plantronics H-top headsets, eliminating additional equipment costs.
- ▶ **Ease of Use.** Provides quick and easy installation, so agents can focus their time answering calls.
- ▶ **Adjustable Volume Control.** Adjusts speaking volume.
