

MX150

Mobile Headset

**Comfortable, flexible and stable.
Sounds great. Stays put.**

- **Comfort Fit**

The unique Flex Grip™ design creates an exceptionally stable, comfortable fit and allows for one-handed placement in the ear.

- **Ultimate Flexibility**

The pivoting, bendable boom allows easy positioning for crystal clear conversations.

- **Superior Sound Quality**

Our signature noise-canceling microphone allows you to be heard clearly in almost any environment.

- **Discreet Style**

The MX150 leverages our most popular new style to give you a discreet and stable boom headset.

- **Multiple Versions**

The MX150 is available in models to fit today's most popular mobile phones, including phones with a standard headset jack. One-touch call answer/end and voice-activated dialing* are available for most popular Nokia® and Motorola® phones.

*Voice-activated dialing must be supported by your phone or service.
