## DATA ADAPTER KIT

Adapters that facilitate connection between 9 and 15-pin equipped devices with DB-type connectors to standard telephone wiring employing modular jacks. The 6-conductor RJ14 modular Jack may be connected in the field to male or female pins which snap into the appropriate 9 or 15-pin DB connector body. Adapters in kit form give the user complete circuit flexibility.

**Note:** See page 48 for wiring diagrams.

<b>ATDB9F-6</b>	(6 Cond. Jack to Female 9-pin DB)
<b>ATDB9F-8</b>	(8 Cond. Jack to Female 9-pin DB)
<b>ATDB9M-6</b>	(6 Cond. Jack to Male 9-pin DB)
<b>ATDB9M-8</b>	(8 Cond. Jack to Male 9-pin DB)
<b>ATDB15F-6</b>	(6 Cond. Jack to Female 15-pin DB)
<b>ATDB15F-8</b>	(8 Cond. Jack to Female 15-pin DB)
<b>ATDB15M-6</b>	(6 Cond. Jack to Male 15-pin DB)
<b>ATDB15M-8</b>	(8 Cond. Jack to Male 15-pin DB)
<b>ATDB9F-DEC</b>	(6 Cond. DEC Jack to Female 9-pin DB)
<b>ATDB9M-DEC</b>	(6 Cond. DEC Jack to Male 9-pin DB)

## SHIELDED ADAPTER KITS WITH METALIZED PLASTIC HOODS

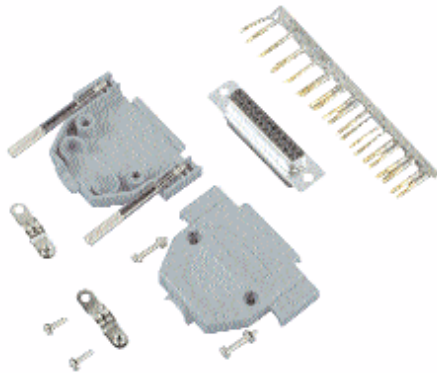

9 and 25-pin DB connectors with an integral RJ45 non-keyed 8 contact modular jack e/w pre-terminated male or female contacts. The hood is e/w thumb screws which allow for convenient installation. Field installation allows for full wiring flexibility.

**Note:** See page 48 for wiring diagrams.

<u>PART NO.</u>	<u>DB CONN. PINS</u>	<u>GENDER</u>
<b>ATDB9FS-8</b>	9	Female
<b>ATDB9MS-8</b>	9	Male
<b>*ATRA8FS</b>	25	Female
<b>*ATRA8MS</b>	25	Male

\*E/W 2-3.50 red straps

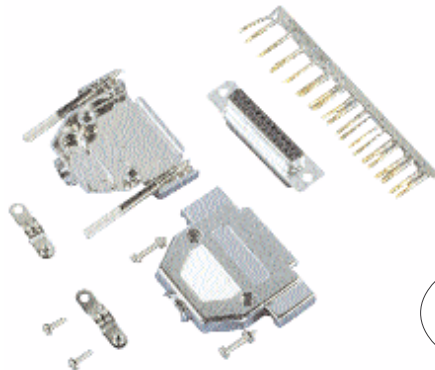

## CONNECTOR KITS

Type 'D' male and female connectors in an easy-to-use kit with 9, 15 and 25-pin formats. All are e/w grey plastic shells (covers), a full complement of crimp-type contacts, metal strain relief and assembly hardware.

<b>ATD9FCK</b>	(9 Pos. Female)
<b>ATD9MCK</b>	(9 Pos. Male)
<b>ATD15FCK</b>	(15 Pos. Female)
<b>ATD15MCK</b>	(15 Pos. Male)
<b>ATD25FCK</b>	(25 Pos. Female)
<b>ATD25MCK</b>	(25 Pos. Male)

## SHIELDED CONNECTOR KITS WITH METALIZED PLASTIC HOODS

9, 15 and 25-pin DB connectors with a full compliment of crimp type male or female contacts, strain relief bracket and assembly hardware.

<u>PART NO.</u>	<u>DB CONN. PINS</u>	<u>GENDER</u>
