

Scout II

Wireless Business Telephone

Your wireless office solution for increased productivity, higher efficiency and longer range.

The Scout II™ wireless telephone is exclusively designed for use with Comdial business phone systems to provide greater flexibility and improved productivity while away from your desk. Customer satisfaction increases as calls no longer go unanswered. And the best part, you'll increase productivity while becoming more efficient.

Features:

- **Digital Spread Spectrum Technology** – unparalleled range and best channel separation in the industry. It's the best defense against unwanted interference and it provides superior voice communication security.
- **Display** – quick and easy-to-read information with a 2-line, 16-digit dot-matrix display and 3 status icons.
- **Headset Jack** – connect an optional headset for hands-free operation. Headset jack is located at the top of the handset for easy access.
- **Conference** – add other parties to your call via one-touch preprogrammed button.
- **3 Selectable Ring Tones and Vibrate Ringer** – choose from 3 ring tones. Each one can be set Hi or Low. Or, choose the Silent Alert (Vibration Mode) to receive calls without disturbing others. Ideal for noisy environments.
- **4-Step Volume Control** – select from 4 levels of volume in your earpiece. (New HAC regulation compatible).
- **20-Number Memory** – store up to 20 phone numbers for quick and easy speed dialing.
- **Hot Swap Battery** – during a conversation, you can swap the battery in the handset without disconnecting the line. Swapping must be done within 20 seconds.
- **Convenient One-Touch Features** – transference/conference, hold, tap/flash, talk, channel search, mute, and ringer on/off, all at your fingertips.
- **Compact Handset** – incorporates state-of-the-art compact design for optimum mobility.
- **Standby Battery Recharge System** – comes equipped with a drop-in charge cradle to accommodate the backup battery charging system.
- **10 Channels** – supports up to 10 simultaneous calls in any environment.
- **Belt Clip** – sturdy belt clip is included for maximum mobility.
