

Universal Security & Shelf Brackets For Leviton Structured Media Centers (SMCs)

APPLICATION:

Leviton's *Universal Security Brackets* allow for consolidation and integration of security products into any of Leviton's Series 140, 280, or 420 Structured Media™ Center enclosures. The 6" and 12" Universal Security Brackets accommodate the widest variety of security alarm panels. These 1"-wide brackets are sold in pairs with self-tapping screws and spacers for easy attachment to the panels. Leviton's *Universal Shelf Bracket* provides space for security batteries of various sizes as well as other products to be mounted within Leviton's Series 140, 280, or 420 Structured Media Centers. The bracket comes with four 8" long Velcro® strips to strap down products to the shelf, ensuring both vertical and horizontal stability

FEATURES

Universal Security Brackets

- Available in 6" or 12", 1"-wide lengths to accommodate the widest variety of security alarm panels
- Allow an unlimited number of upgrades (limited only by the enclosure's size) to be added to an existing security system terminated within any Leviton Structured Media Center
- Made of white powder-coated 18-gauge sheet metal
- Sold in pairs with self-tapping screws and spacers to easily connect the largest number of security alarm manufacturers' panels
- Pushlock pins make attachment of brackets in Structured Media Centers quick and easy

Universal Shelf Bracket
