

pc 145 USB

The stylish, cool gaming tool. You want the flexibility of a USB-compatible headset but can't fit the conventional model under your lucky hat? This headset actually has a stylish neckband that will solve all your problems. Take it anywhere you go for ultimate sound and total convenience without changing the laid-back look you've worked so hard to achieve.

pc 135 USB

The supreme gaming tool for excellent sound. You play hard and need a headset that can keep up. The pc 135 USB gives you true-to-life sound for superior gaming performance. The in-line volume control lets you crank the intensity up or down and the USB adapter with integrated sound card lets you hook up to any computer you want. Put it to work at your next serious competition or LAN party. You'll never leave home without it again.
