

INNOVATION • PERFORMANCE • QUALITY

Allen Tel Products Introduces our new family **HIGH-DENSITY VOICE AND DATA JACKS**

When constructing a network you may run into some High-Density equipment. Allen Tel's new narrow jacks will accommodate these products. Designed to fit into the High-Density areas, our new jacks also fit into Allen Tel's entire line of Face Plates and Housings.

- Features:**
- UL Approved
 - Available in a Wide Range of Colors
 - Compatible with High-Density Equipment
 - No Special Tools Required
 - Category 5e
 - 25 Year Warranty
