

Direct Connect Headsets

DIRECT FOR NORSTAR

Our Direct Connect headsets connect directly to your Norstar telephone. These high-quality, high-performance headsets don't require an amplifier.

MONAURAL

- Noise-canceling microphone
- Flexible microphone boom
- Leatherette ear cushion
- Quick disconnect and clothing clip
- Two-year warranty

Model:
Direct Monaural

Direct Monaural

BINAURAL

- Same as monaural model, but with a second speaker and an ultra-slim adjustable headband.
- Binaural version has a single cord to help eliminate tangling

Model:
Direct Binaural

Direct Binaural

DIRECT CONNECT 3-IN-1

- Same as monaural but with three interchangeable wearing styles.

Model:
Direct Connect 3-in-1

Direct Connect 3-in-1

The Direct Connect 3-in-1 gives you a choice of three interchangeable wearing styles: flexible earhook, 4 sizes of earloops, and fully adjustable click-stop headband.

Direct Connect headsets connect directly to Norstar telephones, without the need of an amplifier.
