

**LVD**  
**LARGE VISUAL DISPLAY**  
**FOR Q90**

- Large super bright display with 20 X 1.0 inch tall characters.
- Adjustable brightness to suit your needs.
- Adjustable display speed and direction for ease of use.
- Optional color lens.
- Large memory buffer (32K).
- Can be used with the Q90.
- Connecting cable included.

**PORTABLE PRINTER**

- It's compact and portable.
- It uses the readily available 2.25" wide standard thermal paper.
- Operates using AC adapter or batteries (batteries not included).
- Choices of standard, medium or large print size to suit your needs.
- Connecting cable included.

**Q90 PRINTER CABLE**

Print your conversations using your own printer. (Printer must have a 36 pin Centronics parallel port, which is used on most computer printers).

**EXTERNAL HCO**  
**SPEAKER SET**

Plugs into the Q90 for hands-free Hearing Carry Over (HCO) calls. Compact size and adjustable volume.

**CIGARETTE LIGHTER**  
**ADAPTER**

Recharge your Q90 while in your car. Indicator light shows when it is ready to use.

**SOFT CARRY CASE**

Attractive, durable and custom fitted to protect your Q90.

**TRAINING VIDEO**

Instructs you on setup and usage of the Q90.
