

911 Guardian Phone™

Talk Directly to a 911 Emergency Operator at the Push of a Button.

- 911 Guardian Phone enables you to call "911" in an emergency situation around your home, (accident, fall, illness, or danger) and **speak directly to the emergency operator.**
- You talk directly to the emergency operator, not to a call center who must call you back to confirm the issue, then relay your information to an emergency operator.
- 911 Guardian Phone requires **no monthly subscription or service fee.**
- 911 Guardian Phone works like a regular cordless phone on any standard phone line with 911 service and tone dialing.
- 911 Guardian Phone can be **comfortably worn around the neck, clipped on a belt, or carried in a pocket at all times.**
- **911 Guardian Phone does not need recharging.** The phone uses a replaceable alkaline battery which lasts up to 1 year in standby or for up to 30 minutes of talk time.

Additional Features:

- Pendant is **splash resistant.**
- System test and battery test functions
- **Voice confirmations** during dialing, shutdown, system test, and battery test
- Includes AC adapter and 7 foot phone cord for base unit, AAA alkaline battery, lanyard with quick detachment clip, and belt clip for pendant, and instruction manual.
