

Surface Mount Boxes

Integrated fiber storage posts facilitate the storage of 1m of fiber cable (4, 6, 12-port).

HUBBELL Advantage

- The ISM has the ability to mount to multiple surfaces like standard electrical boxes, **MEDIATRAK**® raceway, the **RE-BOX**®, CP enclosure, rack rail, desktops, walls, and modular furniture.

Features/Benefits

- Low-profile design.
- Accepts Hubbell **XCELERATOR**™ jacks and Audio/Video keystone connectors.
- Available in 5 color options.
- ADA compliant.

Specifications

- ◆ Provided with double-sided tape and mounting screws for easy installation.
- ◆ UL and cUL listed.
- ◆ Constructed with a high impact resistant, flame-retardant polymer.
- ◆ ANSI/TIA/EIA-606A compliant.

ISM Surface Mount Boxes, 12-port

ISM12OW (loaded)

Order Information

Ideal for open office MUTOA cabling, large capacity surface mount applications and retrofits to support data, voice, and multimedia installations. Can be mounted with supplied surface mounting screws or double-sided adhesive tape and mounted to NEMA electric boxes or relay racks (see next page for **MEDIATRAK**® raceway compatibility chart).

Sold by:

Hlabel HUBBELL Compatible with Hubbell Labeling System - see page B56.

Surface Mount Boxes

- Mounts to modular furniture.
- Contains fiber storage posts.
- Accepts Hubbell XCELERATOR™ jacks and Audio/Video keystone connectors.

Features/Benefits

- Low profile design.
- Available in 5 color options.
- ADA compliant.

Specifications

- ◆ Material: high-impact, fire-retardant plastic rated UL 94V-0.
- ◆ Compatible with HPW laser printable adhesive port icon and faceplate labels to meet TIA/EIA 606-A administration standards.
- ◆ UL and cUL listed.

4-, 6- and 12-port surface box covers feature easy to remove knockouts to accommodate Hubbell MT6, MT7, and MT8 series MediaTrak® raceway.

4- and 6-port units: all ports are on one side, and the housing can be mounted horizontally or vertically so cords may exit sideways or downward.

Bases include tie wrap anchors at side and rear cable entry points for 4" cable ties (included).

ISM Surface Mount Boxes, 4- and 6-port

Order Information

Ideal for open office MUTOA cabling, compact surface mount environments, and retrofits to support data, voice, and multimedia applications. Features adjustable furniture latches to provide an additional mounting option to common ANSI/TIA/EIA standard furniture openings, and solutions requiring fiber. Box bases feature fiber storage posts that can store 1 meter fiber cable after termination.
