

VELCRO® brand wraps - bulk rolls

APPLICATION

VELCRO brand bulk rolls are used for low-voltage multimedia and cord management. While other methods of cable support have the potential to kink or crimp, VELCRO brand bulk rolls offer a great way to safely organize and manage cables.

PHYSICAL SPECIFICATIONS

Dimensions: See below

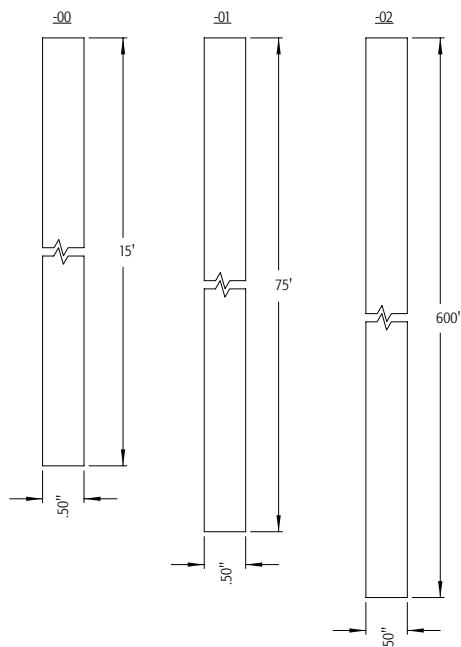

Colors: See below

WARRANTY INFORMATION

For a copy of Leviton product warranties, visit www.leviton.com.

SPECIFICATION

Rolls shall be offered in 15', 75', and 600' lengths, and will all standardize on a 0.5" width. Maroon color shall be offered as a plenum rated product. Shear strength for plenum rated product shall be 29 PSI; non-plenum rated product shear strength shall be 23 PSI.
