Increase your productivity  
and comfort.

Using a headset can increase  
your productivity by allowing  
you to handle other tasks  
while talking on the phone.

Additionally, the use of a  
headset can reduce neck, upper  
back, and shoulder tension  
allowing for a more comfortable  
work environment.

Experience the freedom, comfort  
and great sound quality of a  
Plantronics cordless headset  
system.

Do more. Comfortably.
