

Listening to music has never been easier or this much fun. Our new Category 5-based audio system features multi-zone distribution and new, stylish keypad volume controls. The On-Q Category 5 Audio System can deliver high quality sound throughout the home and garden and lets your homeowners control it all to suit their mood.

**AMPLIFIED KEYPAD VOLUME CONTROL WITH IR**

#F7394

Stylish, decorator-style keypad - perfect for any decor.

Adjustable backlight levels for increasing or decreasing illumination.

Infrared sensors allow easy remote control of volume level and whole house commands.

**LOCAL SOURCE INPUT**

**WHOLE HOUSE COMMANDS**

The Universal Remote Control introduces an innovative feature called Whole House Commands. Whole House Commands control all the keypads in the system from one keypad location. You can mute, change source and raise or lower volume for all the keypads without leaving the room.

Whole House Commands add the simplicity that has been missing from multi-room audio systems. An innovation from On-Q/Legrand – and nobody else.

**UNIVERSAL IR REMOTE CONTROL**

F7427

Whole house commands control all digital keypads at the same time from anywhere in the home.

Room commands feature volume control, mute and on/off.
