

HOB-531-SERIES

Stainless Steel, Vandal Resistant, Rugged Telephones Built to Last

CEECO HOB-531 Series is an open enclosure, weather resistant, handsfree speakerphone that is designed for both indoor and outdoor areas that are not exposed directly to the elements. This unit is equipped with a marine quality chrome tone keypad, industrial grade electronic ringer, over 30 programmable speed dial numbers, and a start/stop button for initiation and termination of calls. Handsfree operation eliminates out of service complaints and costly repairs due to missing handsets. Automatic disconnect circuits ensure that the telephone will not be left in the “off-hook” position. The telephone can allow/ disallow incoming calls as well as timed calls if desired. The telephone housing is powder coated steel with a high grade 16 gauge stainless steel panel to eliminate rust and corrosion which provides an attractive finish. The internal circuitry provides exceptional audio balancing and overall sound quality, as well as over-voltage protection to help guard against surging that might be generated by various conditions including storms. CEECO’s HOB-531 Series speakerphone provides dependable communication that is built to last!

(required for installation)

WARRANTY POLICY

GENERAL

CEECO guarantees its products to be free from defects in material and workmanship for a period of 365 days from the date of original purchase. CEECO's obligation under this warranty is limited to repair or replacement of any part found to be defective by CEECO.

UNDER NO CIRCUMSTANCES shall CEECO be liable for loss, damage, cost of repair or consequential damages of any kind, which have been caused by neglect, abuse or improper operation of equipment.

CEECO will repair or replace any unit during this period if found to be defective for reasons other than abuse and improper use or improper installation. It is the buyer's responsibility to return the defective unit to the factory. CEECO will then repair or replace any defective parts and return them to the buyer free of charge. CEECO will continue to offer repair service for the life of the product.

CEECO has been providing telecom solutions since 1930. Our vandal resistant technology focuses on providing public communication solutions while reducing replacement and repair costs, lowering the customer's total cost of ownership. CEECO also offers custom design and branding to your specifications. Our commitment to providing expert service and support extends beyond the warranty of our product.

We offer service for the life of the product!

CEECO is devoted to giving you the quality and service you deserve.
