

MK-DS/B

Fixed Black & White Video Door Station

MK-DS/B

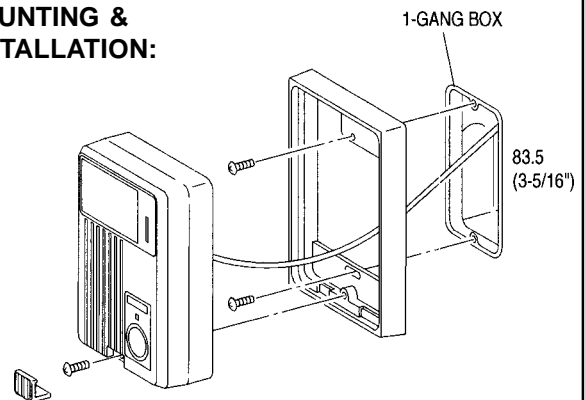

DESCRIPTION:

The MK-DS/B is a video door station designed for use with the Aiphone MY & MK series video entry systems. It features a black & white CCD camera with built in infrared illumination for low light viewing, and can be manually tilted vertically up to 14 degrees. A call button on the MK-DS/B turns on the internal monitor and activates a chime. Audio communication at the door station is hands free.

MK-DS/B FEATURES:

- Compatible with both MY & MK systems
- B&W camera with manual tilt feature
- Weather resistant for outdoor use
- Call button rings chime at inside monitor
- Audio and video activate when door calls in
- Hands free communication when master answers
- Built-in infrared LED's for low light conditions
- Compact surface mount design
- Mounts to 1-gang box or ring
- Simple 2-wire hook-up
