

VXI Roadwarrior™

CP110 HEADSET FOR CELLULAR PHONES

Professional Grade
Communication Technology

Premium Noise Canceling Headset for Truck Drivers

- Blocks out engine and road noise
- Answer and end calls without touching your phone!
- Superior fit for exceptional comfort
- Stable and comfortable for all day use on the road

Plug the CP110 headset into your cellular phone's 2.5mm headset jack and free yourself to drive with both hands on the wheel while you're on a call. Ideal for truck drivers, the noise canceling microphone and concave ear cushion block out background noise, such as engine and road noise, for improved audio quality on both ends of the call. Answer or end calls with the press of a button. Includes microphone mute switch. Based on VXI's successful line of professional office headsets, the premium quality CP110 headset offers secure, long-wearing comfort and unsurpassed durability.
