

Plantronics Voyager™ 855 Bluetooth® Headset

Music and Conversation — All in One Headset

Tune out the world, tune in full-spectrum stereo music and conveniently switch to calls on your music-enabled phone. Innovative stereo ear buds seal out noise and seal in sound, while AudioIQ® two-way noise reduction technology digitally enhances sound quality on both sides of the call. Convenient one-touch buttons let you control calls and music from the headset. On the train, on the road, on the move—the Plantronics Voyager 855 convertible headset delivers outstanding audio performance for calls and music.

Immerse Yourself in Music and Never Miss a Call

Convert to Stereo

Detachable stereo cable clips quickly to the headset to deliver rich stereo sound. Wear comfortably behind neck for discreet listening.

Optimized Call Clarity

Plantronics AudioIQ two-way noise reduction technology provides comfortable listening—even in noisy environments.

Seal Out Noise. Seal In Sound.™

Innovative, custom fit ear buds seal out external noise so you can focus on your conversations—not those around you.

Never Miss a Call

Multipoint technology alerts you to incoming calls and lets you easily switch between calls and music on your stereo enabled Bluetooth phone.

Get Closer—Get Clearer

A sliding boom provides a convenient way to answer and end calls and brings your voice closer to microphone for improved clarity.

Fits as Good as It Looks

Get a personalized fit with 3 ear bud sizes and an optional ear loops to provide comfort and stability.

Easy Bluetooth Pairing

Plantronics QuickPair™ technology lets you easily pair the headset with your Bluetooth mobile phone.

Mass Transit No Longer Massive Headache

Up to 7 hours of talk time and 6 hours stereo listening time from a single battery charge. On demand battery indicator lets you check your battery level anytime, anywhere.
