Interface Plate, Flush

AX101433 Interface Plate, 2-port

AX101437 Interface Plate, 4-port

AX101441 Interface Plate, 6-port

The Belden CDT Interface wall plates combine flexibility and ease of use in work area installations. They are designed to accept the EZ-MDVO and GigaFlex UTP modules as well as all the MDVO multimedia modules. The Interface plates are available in single gang and can accept up to 6 modules. They also have labeling capabilities using built-in labeling windows. The faceplates can be attached to standard electrical boxes or wall-mounting hardware for flush-mount installations. The faceplates can also fit over the Interface Adapter boxes for surface mount installations.

Features & Benefits

- Available in 2, 4 & 6-port configurations for greater workstation outlet density
- Fire-retardant plastic, UL 94V-0
- Faceplates are available in gray, almond, white and black, to suit any office decor
- Faceplates are compatible with EZ-MDVO as well as GigaFlex UTP modules
- Labeling capabilities using built-in labeling windows to facilitate outlet identification and ease network management
- Blanks supplied, 1, 2, 3 blank inserts for 2, 4 and 6-port faceplates respectively to fill in unused ports
- Faceplates fit over standard NEMA type outlet boxes or wall-mounting bracket for flush mount installations
- Faceplates fit over Interface Adapter Boxes for surface mount installations.

Application

- Telecommunications outlets in work areas.

Technical Specifications

- Dimensions (H x W x D): 114 x 76 x 17 mm (4.5 x 3.0 x 0.68 in.).
- Material: UV-rated, fire-retardant plastic, UL94V-0, gray, almond, white or black.

Installation tips

- For 6-port installations, it is recommended to use a mounting bracket rather than an electrical box
- Using the labeling windows, label each port carefully for future reference and ease of location
- Use the different module colors to ease identification and location of users, areas or types of service.

Interface Plate, Flush

Packaging

- > Individually packaged in a plastic bag, including mounting screws, paper inserts, clear windows and blanks
- > Standard shipping carton of 25 units.
