### SUMMARY

The GVI Series of bullet cameras are designed for both indoor and outdoor applications where small, discrete video cameras are required. The GV-CLRIR is a weather resistant camera that will eliminate the need for extra cost of an outdoor housing therefore making it the first choice in residential type applications.

Equipped with 12 LED IR illuminators, the GV-CLRIR can be used in diverse applications such as, search, recovery and sporting activities. The camera comes equipped with 3.6mm lens and also includes a 12VDC power supply and sunshield for easy installation.
