

# QUICK REFERENCE

Working from **HOME** or simply chatting with friends and family doesn't mean you have to sit still. Just plug one of our headsets into your cordless phone and you're free to move from room to room with both hands free. Feed the kids, hold the cat, jot down notes or organize your desk; it's multi-tasking made easy. So go ahead—talk up a storm while you get more done.

SEE OUR COMPLETE LINE OF HOME HEADSETS AT [www.plantronics.com/home](http://www.plantronics.com/home)

◎ • → **SOUND LIKE A PRO, EVEN ON YOUR CORDLESS PHONE AT HOME**

Let them hear you, not background noise, with a headset that's optimized to deliver crystal clear sound over a cordless phone. Just flip our **Microphone Adjust Switch**, and you'll come through loud and clear on any model of cordless phone.

## MX500C

Experience the discrete, lightweight style of the **MX500C headset for all-day comfort and superior sound with the WindSmart® microphone.**

## M214C

Hear and be heard clearly while multi-tasking at home using this affordable, comfortable headset with over-the-head stability.

## M175C

Enjoy ultimate sound performance on your cordless phone and the versatility of two wearing styles.

## CS55H HOME EDITION

Get the ultimate in freedom with a wireless headset for cordless phones — superior sound and mobility up to 300 feet.
