

1U 2 POST SERVER MOUNTING KIT

Kendall Howard's 1U 2-Post mounting kit allows the safe use of Hewlett Packard's 1U DL series servers in a 2-post rack. Installing in just minutes, this unique kit gives you the versatility to tailor your installation in a way that suits your organization best.

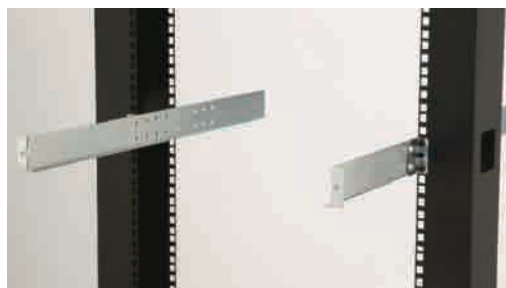

Our space-saving design means that you will not only be able to perfectly balance your server, but you will be able to do it with no wasted rack space. This kit works so well that the average person can complete the installation in less than 5 minutes without a second set of hands.

Kit includes:

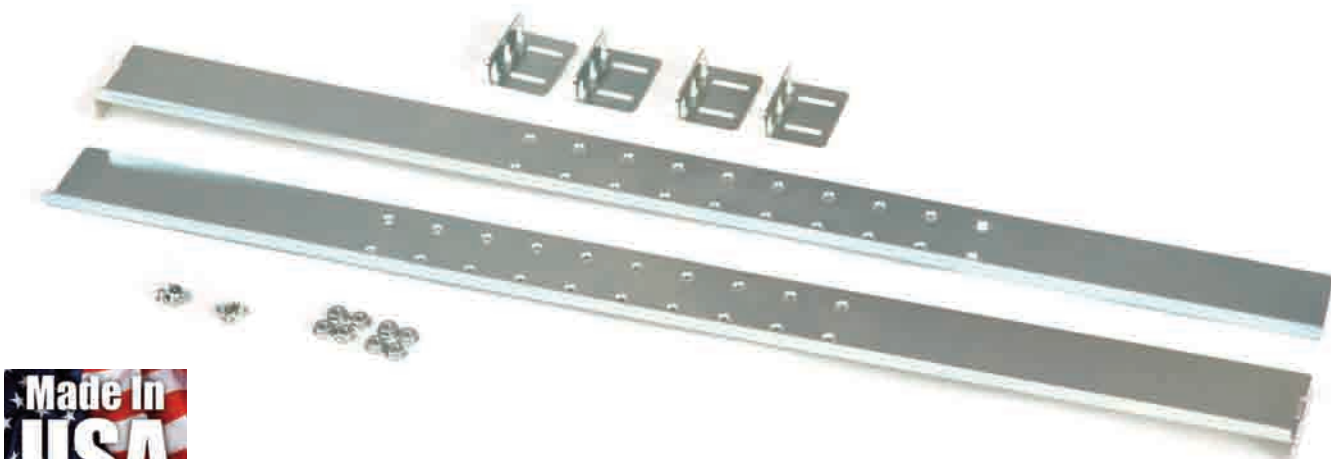

- 2 Support Rails
- 4 Rail Brackets
- All required hardware
- 8 10-32 Rack screws

SKU 1950-3-001-01 hp part: A695517

**Another great
innovation from
Kendall Howard**
