

Now Available... Metal Raintight While-In-Use Covers

Expanded line ideal for residential applications. Available in White or Gray

Leviton adds the heavy-duty protection of rugged metal to its line of Raintight While-In-Use covers. Built of durable cast zinc, powder-coated to resist scratches and corrosion, the While-In-Use covers shield electrical devices against rain, sleet and dust. With covers closed, they fully comply with NEC® Section 406.8(B)(1) requirements for damp or wet locations, and are NEMA 3R rated for outdoor use with unattended plugs in live receptacles. Conveniently packaged with duplex and Decora® plates, mounting hardware and gaskets, they're ready to install on decks, patios, porches and more. Available in White or Gray. Connect with Leviton for a large selection of outdoor products designed to withstand the elements.

Sold by:
