

PLANTRONICS GAMECOM® 367

'Closed-ear' gaming headset – full on multi-player gaming

The 'closed-ear' GameCom 367 gaming headset delivers an immersive audio experience with 40mm stereo speakers and ear pods that redistribute pressure for maximum comfort. When you're ready to fire off orders, unveil the hidden, noise-cancelling mic boom to strategise clearly with team members. Responses coming in? Adjust audio levels using inline volume and mic-mute controls.

Key features:

- **Rich stereo sound** – 40mm speakers give rich sound and resonant bass
- **Noise-cancelling microphone** – reduces background noise and ensures crystal clear audio quality
- **Concealed Microphone Boom** – stows completely into the headband when not in use – ideal when listening to music or watching DVD
- **Convenient controls** – inline volume and mute controls give you full control over your listening and speaking experience
- **The microphone boom adjusts** – ideal for placement for improved communications
- **Specially designed ear pods** – redistribute pressure for maximum comfort for the longest gaming sessions
- **Extremely comfortable** – soft foam ear pads with a sport fabric cover
