

Color: White

HXP15-1TW

Description

DHC 15 Amp, 120 Volt, NEMA 5-15R, Scene-Capable Plug-In Appliance Module Receiver, 2-Way Communication - White

Product Features

Device Type: Plug-In Appliance Module
Feature: Scene-Capable
Communication: 2-Way
Line Type: Green Line
NEMA: NEMA 5-15R
Load Rating: 15 Amp
Voltage: 120 Volt
Output Frequency: 120 KHz
Protection: Intellisense Technology
Color: White
Standards and Certifications: UL/CSA
Warranty: 2-Year Limited
X-10 Protocol Compliant: Yes

Features and Benefits

- Provides 15A-125V NEMA 5-15R grounding receptacle for use with a wide variety of lamps and appliances
- Rated 1800W Incandescent, 1800VA Fluorescent, 15A Resistive and 1/2 HP Motor loads @ 125V AC
- New One-Button Programming through address capturing for easy programming
- Provides manual and remote ON/OFF switching of connected loads
- 2-Way Communication with status-tracking-capable Controllers and Programmers when it is switched ON or OFF locally.
- Module provides Scene Control ON/OFF switching capability when used with the HCCS7-1TW DHC Seven-scene Controller and the HCCPG-1TW DHC Toscana Deluxe Programmer
- Protected memory maintains ON/OFF status of connected loads and address programming during minor power fluctuations
- Leviton's patented Intellisense Technology greatly improves reliability and reduces false responses compared to other manufacturers' products by virtually eliminating signal problems due to noise.
- LED locator light
- Button for ON/OFF manual control
- Quiet relay switching

Electrical Specifications	
Line Type	Green Line
Communication	2-Way
NEMA	NEMA 5-15R
Protection	Intellisense Technology
Load Rating	15 Amp
Voltage	120 Volt
Output Frequency	120 KHz

Material Specifications	
Color	White

Standards and Certifications	
X-10 Code Format	Standard and Extended (XTC798)
UL Listed	File E313173
CSA Certified	File LR3413
NOM	057
