iSTATION™ Frames and Modules

Front loading plate will accept any modules in three unit combinations. Angled fixtures to be used in bottom opening only.

One-Gang Plate Frame IMF10W

Two-Gang Plate Frame IMF2OW

See pages 134-135 for complete iSTATION™ module offering.

Snap Fit Connector Fittings

Snap Fit connectors to be used with any plate with a standard keystone opening. Not recommended for use with KP plates. For KP applications use KPIMBZOW bezel and appropriate iSTATION™ modules located on pages 134-135. Use appropriate iSTATION™ module for SC fiber adapters. See pages 132-133 for complete Snap Fit offering.
