

JABRA LINK™ 350 USB

BLUETOOTH® ADAPTER

Jabra®

DATASHEET

BLUETOOTH® ADAPTER FOR PC BASED IP TELEPHONY

With the Jabra LINK 350 you can connect your Jabra GO® 6400 headset to your personal computer and use it just as easily and comfortably as with your mobile phone.

The Jabra LINK 350 is compatible with Windows XP, Windows Vista and Windows 7. It is easy to set up, and you do not need any drivers. Simply plug the adapter into a USB port, start your IP telephony software and you are ready to talk via your Jabra GO 6400 headset.

Not only do you benefit from perfect call comfort in your office, you will also experience great sound through the digital sound enhancement technology, DSP. With a range up to 100 metres enabling you to walk while you talk and enjoy wireless freedom at work. Additionally the Jabra LINK 350 supports wideband audio quality as well as Microsoft's Office Communicator.
