

## Plantronics Explorer® 240

### Reduces Noise and Wind from Your Calls

The Plantronics Explorer 240 is a universally compatible headset that's extremely easy to use. Going hands free is simple with this reliable headset that features separate buttons for volume, power on/off, and call answer/end. An ergonomic earloop offers you a comfortable, stable fit. Careful microphone placement reduces wind noise, enhancing Plantronics signature high-quality audio performance.

- Easy set-up with any Bluetooth® phone
- Digital Signal Processing (DSP) reduces noise, wind and echo
- On/off switch preserves battery life
- Contoured eartip and lightweight design
