

Premium
sound

SH 230 IP

The Sennheiser SH 230 IP is a premium sound single-sided headset. The most practical and affordable in the range, it is packed with safety and comfort features.

This wideband headset delivers a more nuanced soundscape where voice transmission is perceived as warmer and more natural.

Use SH 230 IP for VoIP communication via softphones on PCs / MacBooks and IP desk phones.

ActiveGard™
Protecting your hearing

- **HD voice clarity** The SH 230 IP wideband headset delivers natural high-definition sound for superior voice clarity, accented speaker recognition, and reduced echo
- **Wearing flexibility** The 300° adjustable microphone boom means you can place the microphone just where you want it, while Teflon® washer support increases positioning accuracy and stability, and ensures optimal durability
- **Lightweight build** Ideal for long calls within any office or professional environment
- **Stylish presentation** A low-key colour scheme in black is finished with a slick light grey metal headband
- **Acoustic excellence** The unique foam ear pad channels sound for maximum speech quality
- **Protected hearing** ActiveGard™ technology protects against acoustic shock and sudden sound surges
