

Our Noise Cancelling Series looks identical to most normal platinum products but are fitted with a background noise cancelling microphone which drastically reduces all background noise while maintaining crystal clear transmission.

Kevlar™ reinforced cabling, top grade Knowles™ brand components, "OEM style" quick disconnect acoustic tubes and field replaceable transducers.

P2W-AT1-NC

Available in 1,2 & 3 wire kits with QD acoustic tube or adjustable D-shape ear options.

- Knowles™ brand background noise cancelling mic
- Kevlar™ reinforced cabling
- OEM compatible QD surgical grade acoustic tube

PDM-1-NC

Behind the head double muff heavy duty headset. The ultimate solution for high noise environments. Superior clarity and rugged design.

- Behind the head design compatible with most helmets
- Heavy duty adjustable gooseneck noise cancelling boom mic with wind cover
- Oversized PTT with clothing clip
- Kevlar™ reinforced heavy duty coil cable

POH-2-NC

Over-the-head lightweight headset with inline Push-to-Talk (PTT), single muff ear piece & gooseneck adjustable noise cancelling boom mic. OEM style adjustable metal headband for added durability and Kevlar™ reinforced heavy duty coil cable.

PRSM-HD2-NC

The newest version IMPACT™ HD2 shoulder mic retains the popular look and feel of the original version but adds a background noise cancelling microphone as a standard feature.

- Heavy duty, impact resistant PVC casing
- Background noise cancelling mic
- Kevlar™ reinforced heavy gauge coil cable
- Standard 3.5mm listen only accessory jack
- Wind, water and impact resistant
