Jabra BIZ 1900

# SIMPLE TO USE.

## VALUE-LINE SOLUTION

- Optimized for the cost-conscious contact center
- Lightweight, sturdy design and professional quality
- Noise-canceling microphone for noisy environments

The Jabra BIZ 1900 Series delivers professional performance and exceptional value. It's the cost-effective headset investment decision that doesn't compromise on quality. Designed for contact center use, the Jabra BIZ 1900 Series increases agent productivity and performance. Its noise-canceling microphone ensures that background noise from your work environment won't be transmitted to your customers' ears.

The headset comes complete with QD (Quick Disconnect) plug for instant connectivity to a wide range of amplifiers and telephone systems. Simply connect the headset to the telephone system and you're ready to benefit from the Jabra BIZ 1900's low cost of ownership.

The Jabra BIZ 1900 Series is available in both mono and duo and its multiple adjustment points make it truly adaptable to individual preferences. Its headband wearing style combined with a lightweight design ensures all-day comfort - even in very telephone-intensive environments. The ear foams or leatherette cushions have an elevated outer ring for added comfort and great user experience.

# FEATURES & BENEFITS

FEATURE	BENEFIT
Professional quality	Designed throughout for telephone-intensive use, the Jabra BIZ 1900 is exceptionally durable. And at less than 45 g/1,6 oz (mono), it's still easy to use all day
Sound quality	Great sound quality with traditional, narrowband phone systems
Lightweight, sturdy design	Comfortable, yet sturdy materials provide professional quality and good user experience
Noise-canceling microphone	The headset's noise-canceling microphone filters out unwanted background noise, making it ideal for use in louder work environments
Adjustable speaker chambers	Flexible adjustment to the ear for optimal coupling
PeakStop™ technology	Acoustical shock protection against sudden, loud noises on the telephone network
Boom arm with 270° rotation	Flexibility to ensure optimal microphone positioning. 270 degree movement in both directions supports left and right wearing styles
Noise@work compliance	When paired with a Jabra GN1220 or Jabra GN8210, the Jabra BIZ 1900 offers inexpensive hassle-free compliance with the latest in EU noise regulation
Quick Disconnect (QD)	Thanks to the headset's easy Quick Disconnect, plug the headset directly into your telephone system and you're all set
Flexible boom arm tip	The flexible tip of the boom arm ensures ideal microphone placement
Future-proof design	Future-proof design lets users upgrade from traditional desk telephony to IP hard phones
2-year warranty	With GN Netcom's no fine print 2-year warranty, you'll enjoy worry-free ownership
