

GAMING HEADSETS FOR XBOX 360™ AND XBOX®

Based on over 40 years' experience in acoustic and ergonomic design, these headsets deliver extended-session comfort and shake-proof fit. Not to mention style that would make online opponents weep with envy.

GAMECOM™ X30

NEW!

REIGN SUPREME. Dominate your game with the ultimate-quality GameCom X30 headset. Its ultra-cool, ear-melding design lets you verbally annihilate online enemies, then command your fridge-raiding buddies to bring you some grub.

- Industrial-strength ultra-cool design separates gaming titans from mere mortals
 - Noise-canceling microphone plus inline volume and mute let you verbally devastate foes with cutting precision
 - Extended boom flexes to fit your trash-talking maw
 - Platforms: **Xbox 360 and Xbox¹**
- \$39.95 MSRP**

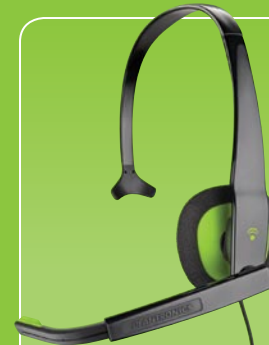

GAMECOM™ X20

PUMP UP the fun of online gaming with the GameCom X20. Its sleek, single-earbud design lets you shift gears from live online gaming to gabbing offline with friends. And the ultra-light fit makes for extended-comfort gaming.

- Ultra-light, discreet design is quick to put on and won't muss your do or snag your bling
 - Noise-canceling microphone captures your voice even through background clamor
 - Inline volume and mute put you in the driver's seat
 - Platforms: **Xbox 360 and Xbox¹**
- \$24.95 MSRP**

GAMECOM™ X10

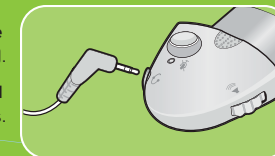

FIRE UP your online gaming experience with crystal clear audio, edgy style and long-wearing comfort. The GameCom X10 lets you strategize with teammates, roast opponents, and unleash a barrage of stinging trash-talk.

- Single-ear cushion design lets you flame online enemies then brag right to your couch comrades
 - Extended boom deflects peripheral game noise and stays put during impromptu victory dances
 - Inline volume and mute put you in the driver's seat
 - Platforms: **Xbox¹ and Xbox 360**
- \$24.95 MSRP**
