9" Plastic Net Media Center Combo
Package includes:

A. 9" Plastic Net Media Center Box, 1 pc
B. Compact Module, CAT 6, Data, 8-Port, 1 pc
C. Compact Module, Telephone, 8-Port w/RJ31, 1pc
D. Resi module, 2 GHz Video Splitter, 1x6, 1 pc

CAT 6 Data Module

9" Plastic Net Media Center Box

Compact Telephone Module

1x6 Video Splitter Module

Features and Benefits:

- Designed with high quality, lightweight plastic.
- Designed to serve as the central distribution point for voice, data, video, audio, and security services for smaller residential structured wiring systems.
- Allows for internal modules to be mounted horizontally or vertically.
  Integrated snap-in module system enables users to quickly insert or move the internal modules.
- Includes 3 top, 3 bottom, 4 rear, and 2 side knockouts for routing cables.
- Includes a knockout for an optional AC power outlet (not included) to provide power distribution.
- Fits between 16" wall mounting spaces or can be wall mounted.
- Designed with a pad lock option for additional security (pad lock not included).
