

## Clarity 5E 6-Port Jak-Pak Kit, T568A/B, Category 5e, 6-port/110 module - OR-JP5E6U

Clarity 5e Jak-Pak is a compact, flexible, multi-user solution that can be structurally mounted or used in a temporary environment. It is component compliant to TIA/EIA Category 5e performance requirements. Kits come supplied with Clarity 5e six-port/110 modules and are part of the Clarity 5e link and channel solution that provides significant installed performance headroom.

### FEATURES

- ETL Verified to Category 5e component standard
- Center tuned to Clarity 5e patch cords
- Supports use in multiple situations
- Compact design
- Icon compatible

### BENEFITS

- Ensures standards compliance
- More transparent mated union
- Permanent structures or temporary environments
- Alternative for multiple outlets in an office environment
- Supports 606 designation requirements

## Specifications

### APP INSTALL INFO

Assembly Required: Yes

Mounting Hardware Included: No

### DIMENSION INFO

Length Metric: 186.69 mm

Width Metric: 44.45 mm

Depth Metric: 36.58 mm

### GENERAL INFO

Category Performance Application: Category 5e/UTP

Number Of Ports: 6

Color: Black

Typical Applications: Mutoa, Multistation, Portable cabling in convention area

Footprint: Six-Port

### TECHNICAL INFO

Category Rating: Category 5e

### CONSTRUCTION INFO

Component3: Array of eight modular contacts (staggered) - Material3: Phosphor Broze, Finish\_Plating3: Nickelplating and a minimum of 50 micro inches os selective gold plating in contact area

Component4: IDC contacts (low noise) - Material4: Phosphor Bronze, Finish\_Plating4: Nickel plating and tin lead over plate
