

EASY COMMUNICATION

PC 26 CALL CONTROL

PC 26 CALL CONTROL

Thanks to improved noise canceling technology, the PC 26 CALL CONTROL is an excellent single-sided headset for clear internet conversations. An integrated soundcard boosts your computer's sound with Sennheiser quality. The highlight is the 3-in-1 unit: Control the volume, mute and call options directly from the headset.

Benefits and Features:

- Sennheiser sound – the integrated USB soundcard and quality speakers ensure every word comes through crystal clear
- Noise canceling clarity – not only will your voice come through in crystal-clear quality, the noise canceling mic is also ideal for your device's speech recognition function
- USB plug & play – simply plug into your computer's USB port to start phoning over the net
- Convenient 3-in-1 control – fully adjust the volume/mute and control your phoning session directly from the headset
- Free HeadSetup software – conveniently download Sennheiser software for easier control of your softphone from the headset
- Keep one ear free – the single-sided design keeps you in touch with your surroundings while you chat
- Fully flexible boom arm – adjust the microphone for optimal voice pick-up and comfort
- Peace of mind – thanks to the 2-year international warranty
