## Advanced 8-Line Office System

Customize your business with RCA's 8-line phone system. If you need a 4 line office phone now and an 8 line later, the advanced system expands as you grow your business.

25825 8-Line Corded Base Station with tilt display, caller ID and integrated digital answering system

25801 8-Line Router

System requires one 8-Line Router and one Base Station

### EXPANDS UP TO 25 BASE STATIONS

H5801 8-line accessory handset sold separately

#### 8 Lines-

Our system grows with you. Start with 3 lines and add on lines and stations as your business grows.

#### Digital Receptionist-

Manage your calls 24 by 7 with personalized greetings and advanced routing features such as after-hours greetings and a dial-by-name directory.

#### Virtual Conference Room-

Host your own conference bridge calls at no additional cost.

#### Easy Setup-

Simple installation lets you plug it in and get to work. Each router and base station comes pre-configured.

#### Music on Hold-

Give your small office a large office feel.

#### Intercom-

Instantly call other users in the office without tying up phone lines.

#### Online Support-

RCA4business.com offers interactive e-learnings and tips to using your new phone system.

2-Year Warranty
