

Evolution® Horizontal Cable Manager

Use Evolution® Horizontal Cable Managers above and below patch panels and network switches to organize and store cables. Horizontal managers include plastic T-shaped cable guides to organize patch cords and jumper cords as the cords enter and exit the manager to make individual equipment connections. The snap-on cover matches the door styling on the vertical manager. Swing the cover up or down to access cables; the cover stays in the open position while cabling. Three edge-protected, oval-shaped pass-through ports allow patch cords to pass front-to-rear. Horizontal managers are available in three heights.

- Contoured front door with snap-hinges and longitudinal center feature contrasting aluminum finish
- Three 1.25"H x 2.12"W (31 mm x 53 mm) edge-protected oval cable pass-through ports at the rear of the cable manager
- Improved T-shaped cable guides decrease deflection when loaded with cables; especially important when deploying Cat 6a cable
- Rounded edges on the cable guides protect cables as they enter and exit the storage space
- Snap-On cover opens up or down and stays in the open position

Part Number	Description H x W x D in (mm)	Shipping Weight lb (kg)
35441-701	1U x 19 x 8.2 (208)	4 (1.8)
35441-702	2U x 19 x 8.2 (208)	5 (2.3)
35441-703	3U x 19 x 8.2 (208)	6 (2.7)

Color is black.

Velocity® Horizontal Cable Manager

Use Velocity® Horizontal Cable Manager above and below patch panels and network switches to organize and store cables. Features T-shaped cable guides at the top and bottom of the manager to organize patch cords. Two cable openings in the rear of the manager allow front-to-rear cabling and the snap-on cover stays in the opened position to provide easy access to cables. The single-sided horizontal cable managers are available in three heights.

- Horizontal managers for open two-post and four-post CPI Rack Systems
- The Velocity Horizontal Cable Manager includes:
 - One 19"W EIA rack-mount cable manager with T-shaped cable guides
 - One cover that snaps onto the T-shaped cable guides
 - Four #12-24 x 1" rack-mount screws and four M6 x 25 mm rack-mount screws

Part Number	Description H x W x D in (mm)	Shipping Weight lb (kg)
13930-701	1U x 19 x 5.9 (150)	2 (0.9)
13930-702	2U x 19 x 5.9 (150)	3 (1.4)
13930-703	3U x 19 x 5.9 (150)	3 (1.4)

Color is black. 1U = 1.75" (44.45 mm); the overall height of the manager is .03" (0.16 mm) less than the full rack-mount unit height. Usable depth is 3.7" (94 mm). The usable height of the manager varies but is 1.2" (31 mm) less than the overall height of the manager at the narrowest point.
