## Extender Plate (single gang), Fog White - OR-40300010

Ortronics Series II Extension Plate allows you to retrofit for additional depth behind your existing single gang Series II faceplate. The extra space provides for bend radius and storage requirements. Perfect for upgrades to fiber and multimedia applications.

### FEATURES

- **Single gang plate extension:** Provides added depth for cable storage.
- **Rugged design:** Long life.
- **Supports upgrades to Fiber or Coax:** Adds room for fiber and coax bend radius requirement.
- **Uses plate screws to mount onto standard single gang box:** Quick and easy to install.
