

## 500/700 15A, 125V Single Pole Switch & Box Fitting - V57240

Single pole switch included. Accepts standard single-gang switches including three-way. Cover has twistouts for 500 or 700 Series Raceway on each end and sides. Twistouts on ends of box permit running raceway close to interior trim. Base has 1/2" trade size KOs. NOTE: Certified to Canadian Safety Standards for sale in Canada. When ordering these products, change the "V" color prefix to "vc" or the "WH" color suffix to "WHC" to denote the Canadian versions.
