

Cone Speakers

S86T725, S86T725BR, S810T725

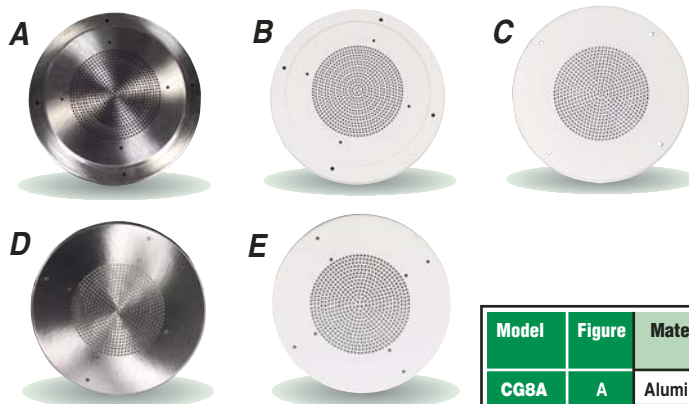

Bogen offers 8" unmounted cone speakers with 6 or 10 oz. magnets. These speakers come wired with a 4-watt speaker matching transformer (T725).

Product Features:

- 4-watt capacity
- Speaker matching transformer (4W) mounted and wired
- 6 different power taps available (4, 2, 1, 1/2, 1/4, 1/8 W)
- Screw terminals optional (S86T725BR model only)
- Works with both 70V and 25V amplifier outputs
- 8" cone speaker for excellent audio quality
- 6 oz. or 10 oz. magnet weights
- Easy to install in wall baffles or ceiling grilles (SEE BELOW)

Model	Speaker	Magnet Weight	Frequency Response	Sensitivity	Connections	Dimensions	Shipping Weight (16/carton)
S86T725	S86	6 oz.	50 Hz - 12 kHz	95 dBspl	Wire	8" Dia. x 3-1/4" D	32 lb. / carton
S86T725BR	S86	6 oz.	50 Hz - 12 kHz	95 dBspl	Screw Terminal	8" Dia. x 3-1/4" D	36 lb. / carton
S810T725	S810	10 oz.	70 Hz - 15 kHz	96 dBspl	Wire	8" Dia. x 3-1/2" D	50 lb. / carton

Grilles

CG8A, CG8AW, SG8W, PG8A, PG8W

Bogen provides a wide selection of attractive ceiling grilles in white enamel or aluminum finishes. Each grille is shipped with the hardware needed to mount a speaker to the grille.

Model	Figure	Material	Finish	Style	Diameter	Quantity	Shipping Weight (carton)
CG8A	A	Aluminum	Satin Aluminum	Contoured	12-5/8"	15 / carton	8 lb.
CG8AW	B	Aluminum	White Enamel	Contoured	12-5/8"	15 / carton	9 lb.
SG8W	C	Steel	White Enamel	Low Profile*	13"	10 / carton	14 lb.
PG8A	D	Aluminum	Satin Aluminum	Low Profile	13"	20 / carton	10 lb.
PG8W	E	Steel	White Enamel	Low Profile	13"	20 / carton	27 lb.

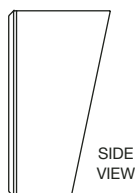

*Features hidden speaker mounting studs

Wall Baffle

WB8

Bogen's wall baffle is ruggedly constructed of 3/8" particle board with reinforced corners. It is finished in simulated walnut and will house any Bogen 8" speakers. A sloping front panel provides enhanced downward dispersion. Hardware for mounting a speaker to the baffle included.

Dimensions	Shipping Weight (4/carton)
9-1/2" W x 9-1/2" H x 5-1/4" D (3-1/4" D at bottom)	10 lb. / carton
