

Keystone CAT6 Jack Plate, single plate

AV9015BK

Wiremold audio/video interface plates (AVIP) allow for A/V connectivity in all Wiremold A/V compatible pathways. AVIP Series Device Plates are metal, screwed down connectors, which ensures a secure connection that will resist being pulled out or broken while connected. From data to audio to video, the Wiremold AVIP Series Device Plates help you stay connected in your meetings and training rooms, collaboration spaces or work areas.
