

ECOXBT

Bluetooth Wireless Waterproof Floating Speaker System

The ECOXBT by ECOXGEAR is a one of a kind portable audio system that combines Bluetooth, Lithium Battery & Waterproof Technologies. The result is a shock resistant, floating, full range rechargeable wireless speaker system. Do everything from stream & play your music from your Bluetooth enabled Smartphone or Audio device, to answering your incoming calls over the built-in speaker phone! AUX-in jack on the back of the unit provides the option to directly connect an external audio device with a 3.5mm connection.

**Wireless Audio + Waterproof
+ Shock Resistant + much more...**

Model no.: **GDI-EGBT500 /501 /507**
(Orange /Black /Red)
