

Pro features, outstanding value.

To get the full benefit of your Unified Communications solution, you need a full-featured headset. To get those professional features without paying an arm and a leg, you need the VXi Envoy™ Office. With the Envoy Office, you get the hear-and-be-heard advantages of a VXi headset—thanks to class-leading noise-canceling microphone technology and wideband audio. It's lightweight and comfortable enough to wear for hours. With convenient inline call controls that meet Skype for Business™ standards.

Benefits

- Be heard clearly with the industry's best noise-canceling microphone technology.
- Enjoy crystal-clear communication with HD Voice.
- Get the most out of your telecommunications applications.
- Get better results when using voice recognition software.
- Enjoy hi-fi music or tune out distractions with the stereo version.
- Just plug in the USB connector and you're good to go.
- Control volume and answer, end, or mute calls with inline controls.

Available in mono or stereo, the VXi Envoy Office gives you the professional features you need, cost-effectively.

Product Highlights

- USB interface for plug-and-play ease of use.
- Hi-fi audio with DSP for clearer conversations and great sound quality.
- Advanced noise canceling eliminates background noise and improves communication.
- Works with popular UC and softphone applications.
- Lightweight, comfortable design is easy to wear.
- Real-world durability stands up to all-day, every-day use.
- Inline control of volume, mute and call answer/end.*
- Two-year, hassle-free warranty.

*Call answer and end controls may require additional software. Refer to www.vxicorp.com/usb for details.
