

ErisTerminal[®] SIP DECT Cordless Headset

VSP505

Keep your customers on the line, even when you're on the move in your office. Answer and end calls right from your headset—up to 500 feet from the base.* Mute, flash and volume controls make it easy to multi-task, while DECT 6.0 technology and a noise-canceling microphone deliver interference-free conversations. Plus, a magnetic charger in the cradle ensures the headset fits and charges securely, so you'll never run out of battery during long calls.

VSP505 Key Features

Up to 500 feet of range.*

Experience the best in long-range coverage and clarity, provided by a unique antenna design and advances in noise-filtering technology.

Noise-canceling microphone.

Block out distracting background noise with advanced noise-canceling technology.

One-year warranty.

Enjoy the peace of mind that comes with an industry-leading, standard one-year warranty.

Multiple wearing styles.

Choose the fit that works best for you: over-the-ear or over-the-head.

Mute, flash and volume controls.

Easy, one-button mute, flash and volume controls right on the headset enhance hands-free convenience.

Automatic hang-up when cradled.

No need to hang up when you're done with a call. Return the headset to its cradle and it'll take care of it for you.

Magnetic charging cradle.

A magnet anchors the headset in the cradle to ensure a full charge every time.

Compatible with VSP725, VSP726, VSP735 and VSP736 SIP DECT desksets.
