Add Weather and Vandal Resistance While Surface Mounting Viking Products

VE-GNP shown with
VE-5x5 and E-30

VE-5x10 shown
with K-1900-8

The **VE-5x5**, **VE-6x7** and **VE-5x10** add vandal and weather resistance, as well as versatility to many Viking products.

The **VE-Series** backboxes are black powder painted steel, weather resistant boxes designed to be surface mounted to a single gang box, a wall or a **VE-GNP** gooseneck pedestal.

The **VE-5x5** is designed to be used with the **E-10**, **E-15** and **E-30** handsfree phones as well as the **W-1000** and **W-3000** handsfree doorboxes. The **VE-6x7** is designed to be used with the **K-1700-3** handsfree phone and the **VE-5x10** is designed to be used with the **K-1500-7**, **K-1900-7** and the **K-1900-8** vandal resistant phones.

The **VE-GNP** gooseneck pedestal is designed to be used with any of the **VE-Series** backboxes and is ideal for drive up communications.
